The Minotaur lived in Crete. It had the head of a bull and the body of a man.	King Minos orders a special maze to be built for the Minotaur to live in.	Every nine years 7 boys and 7 girls are sent from Athens to King Minos.	King Minos sends the young people into the labyrinth. No one comes out.
Prince Theseus goes to Crete as one of the prisoners.	Princess Ariadne falls in love with Theseus. She gives him a ball of string.	Theseus kills the Minotaur and finds his way out with the string.	Theseus sails back to Athens with the other young people.
