13th September, 2016

Reception Parents

Dear Parents,

I invite you to a coffee morning in the hall on Wednesday, 21st September after you drop off the children. This is an opportunity to meet other parents socially and have a chat with me about how things are going.

You are also invited to a Curriculum Information Evening on Wednesday, 12th October at 7.00pm.

Your children have settled in beautifully and I know that the teachers are making themselves available to you to express any worries or concerns. I hope that some new families will become involved in our Friends of the School and welcome any support from all parents for our Indian Summer Evening, our first community event this year.

Thank you for your continued support, and I look forward to seeing you at the coffee morning.

Yours sincerely,

Mrs. M. Sullivan
Headteacher
