

The Museum of Time

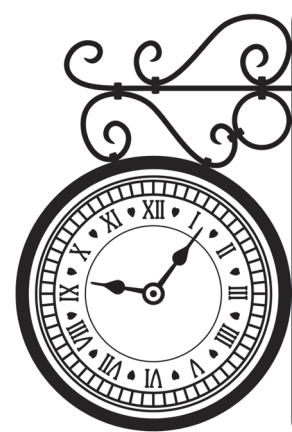

1 Time on your hands?

Visit the Museum of Time and use your time to find out about time.

The museum has a vast collection of clocks of all types and from all times. Since the beginning of time, people have measured time using the technologies of the day: sun, water, clockwork, batteries and electronics.

Visit the museum to compare the clocks ⁽¹⁾ all of which tells the same time!

Book a guided tour with the Keeper of Time and discover how the Keeper of Time keeps the clocks in time and on time.

10 TOURS AT 2PM, WEEKDAYS ONLY.
