

## YOU'RE THE VOICE

We have the chance to turn the pages over.  
We can write what we wanna write  
We gotta make ends meet before we get much older.  
We're all someone's daughter  
We're all someone's son.  
How long can we look at each other  
Down the barrel of a gun?

You're the voice, try and understand it  
Make a noise and make it clear  
Woah, Woah  
We're not gonna sit in silence  
We're not gonna live with fear  
Oh, Woah

This time, we know we all can stand together  
With the power to be powerful  
Believing we can make it better  
Ooh we're all someone's daughter,  
We're all someone's son,  
How long can we look at each other  
Down the barrel of a gun?  
You're the voice, try and understand it  
Make a noise and make it clear  
Woah, Woah  
We're not gonna sit in silence  
We're not gonna live with fear  
Oh, Woah

Ooh we're all someone's daughter,  
We're all someone's son,  
How long can we look at each other  
Down the barrel of a gun?

You're the voice, try and understand it  
Make a noise and make it clear  
Woah, Woah  
We're not gonna sit in silence  
We're not gonna live with fear  
Oh, Woah

You're the voice, try and understand it  
Make a noise and make it clear

## POP MEDLEY 2017

I drew a broken heart.  
Right on your window pane,  
Waited for your reply  
Here in the pouring rain.  
Just breathe against the glass,  
Leave me some kind of sign,  
I know the hurt won't pass yeah,  
Just tell me it's not the end of the line,  
Just tell me it's not the end of the line.  
I never meant to break your heart  
I won't let this plane go down.  
I never meant to make you cry,  
I'll do what it takes to make this fly  
Oh you gotta hold on,  
hold on to what you're feeling  
That feeling is the best thing  
the best thing alright.  
I'm gonna place my bet on us,  
I know this love is heading in the same direc-  
tion that's up.

Turn your magic on Umi she'd say,  
Everything you want's a dream away,  
We are legends every day,  
That's what she told me

Turn your magic on to me she'd say,  
Everything you want's a dream away  
Under this pressure, Under this weight,  
We are diamonds  
And I feel my heart beating,  
I feel my heart beneath my skin,  
Oh I feel my heart beating,  
You make me feel like I'm alive again

Woo hoo (Woo hoo) Woo hoo (Woo hoo)  
Woo hoo (Woo hoo) Woo hoo (Woo hoo)  
Woo hoo (Woo hoo) Woo hoo (Woo hoo)  
Woo hoo (Woo hoo) Woo hoo (Woo hoo)

I never miss a beat.  
I'm lightning on my feet.  
And that's what they don't see,  
Mm mm that's what they don't see, Mm mm,  
I'm dancing on my own,  
I make the moves up as I go,  
And that's what they don't know, Mm mm  
that's what they don't know, Mm mm,  
but I keep cruising,  
Can't stop, won't stop grooving,  
It's like I've got this music in my mind  
singing it's gonna be alright,  
'Cos the players gonna play play play play play  
and the haters gonna hate hate hate hate hate  
Baby Im just gonna shake shake shake shake  
shake

Shake it off, ah shake it off  
The heart breaker's gonna break break break  
break break  
and the faker's gonna fake fake fake fake fake,  
Baby, Im just gonna shake shake shake shake  
shake  
Shake it off, ah shake it off.  
Shake it off ah shake it off, ah ah ah  
Shake it off ah shake it off, ah ah ah  
Shake it off ah shake it off, ah ah ah  
Shake it off ah shake it off

Hello Can you hear me?  
I'm in California dreaming about who we used  
to be  
when we were younger, and free  
I've forgotten how it felt before the world fell  
at our feet,  
There's such a difference, Between us  
and a million miles.

Hello from the other side  
I must have called a thousand times  
to tell you I'm sorry for everything that I've  
done  
but when I call you never seem to be home  
Hello from the outside  
At least I can say that I've tried  
to tell you I'm sorry for breaking your heart  
but it don't matter it clearly doesn't tear you  
apart  
anymore

Close your tired eyes,  
Relax and then,  
Count from one to ten and open them,  
All these heavy thoughts will try to weigh you  
down,  
but not this time,  
Way up in the air,  
You're finally free,  
And you can stay up there, right next to me,  
All this gravity will try to pull you down,

But not this time,  
When the sun goes down and the lights burn  
out  
then it's time for you to shine,  
Brighter than a shooting star,  
So shine no matter where you are,  
Fill the darkest night with a brilliant light,  
'cos it's time for you to shine,  
Brighter than a shooting star,  
So shine no matter where you are,  
Tonight, Woh! Woh! Woh!  
Brighter than a shooting star,  
So shine no matter where you are,

So Hold back the river let me look in your eyes,  
Hold back the river so I can stop for a minute  
and be by your side,  
Hold back the river hold back,  
Hold back the river let me look in your eyes,  
Hold back the river so I can stop for a minute  
and be by your side,  
Hold back the river hold  
Lonely water, Lonely water,  
won't you let us wander,  
Let us hold each other,  
Lonely water, Lonely water,  
won't you let us wander,  
Let us hold each other, H  
old back the river hold back!

## AIN'T NO MOUNTAIN

Don't you know that there  
Ain't no mountain high enough,  
Ain't no valley low enough,  
Ain't no river wide enough  
To keep me from getting to you babe.

Ain't no mountain high enough,  
Ain't no valley low enough,  
Ain't no river wide enough,  
to keep me from you,  
Ain't no mountain high enough,  
Ain't no valley low enough,  
Ain't no river wide enough,  
to keep me from you,

(Guitar solo)

Ain't no mountain high enough,  
Ain't no valley low enough,  
Ain't no river wide enough, to keep me from  
you,  
Ain't no mountain high enough,  
Ain't no valley low enough,  
Ain't no river wide enough, to keep me from  
you,

Ain't no mountain high enough, Ain't no valley  
low enough,  
Ain't no mountain high enough, Ain't no valley  
low enough,  
Ain't no mountain high enough,

## FIVE GUYS NAMED MOE

One night farmer Brown was taking the air.  
He locked up the barnyard with the greatest of care.  
Down in the Hen House something stirred,  
When he shouted "Who's There?"  
This is what he heard;  
"There ain't nobody here but us chickens,  
There ain't nobody here at all.  
So calm yourself stop that fuss,  
There ain't nobody here but us  
We chickens trying to sleep,  
and you butt in and hobble hobble hobble it's a sin.  
Tomorrow is a busy day,  
We've got things to do, We've got eggs to lay,  
We've got ground to dig, and worms to scratch,  
It takes a lot of sitting getting chicks to hatch.  
There ain't nobody here but us chickens  
There ain't nobody here at all.  
So quiet yourself, stop that fuss,  
There ain't nobody here but us,  
kindly point that gun the other way  
and hobble hobble hobble off and hit the hay!"

Saigo boy from Fyzabad  
Little town in Trinidad,  
Came by plane to New York Town,  
Dressed up like a circus Clown.  
With his tenor sax in hand,  
Says he maestro of a band,  
Ask him what's the latest thing,  
Saigo boy began to sing,  
Push ka pi shee pie eh eh  
Push ka pi shee pie eh eh  
Oo blai ee blee ai ee blah!  
It's the new calypso bebop.

## BIRDHOUSE IN YOUR SOUL

I'm your little friend I'm not your only friend  
but I'm a little glowing friend  
but really I'm not actually your friend but I am  
Blue canary in the outlet by the light switch,  
Who watches over you?  
Make a little Birdhouse in your soul,  
not to put too fine a point on it,  
Say I'm the only bee in your bonnet,  
Make a little birdhouse in your soul.

I have a secret to tell  
from my electrical well  
It's a simple message and I'm leaving out the whistles and bells.  
So the room must listen to me Filibuster vigilantly  
My name is Blue Canary one note spelt L I T E  
My story's infinite,  
like the Languine Symphonette it doesn't rest.

Blue canary in the outlet by the light switch  
Who watches over you?  
Make a little Birdhouse in your soul,  
not to put too fine a point on it,  
Say I'm the only bee in your bonnet,  
Make a little birdhouse in your soul.

I'm your little friend I'm not your only friend  
but I'm a little glowing friend

## OVER THE HILLS

Hark now the drums beat up again,  
For all true soldier gentlemen,  
Then let us list and march I say,  
over the hills and far away,  
Over the hills and o'er the main,  
to Flanders, Portugal and Spain,  
Queen Anne commands and we obey,  
Over the hills and far away.

On Richmond Hill there lives a lass  
more bright than Mayday morn  
Whose charms all other maids surpass  
a rose without a thorn,  
This lass so neat with smile so sweet  
has won my right good will,  
I'd crowns resign to call her mine,  
sweet lass of Richmond Hill.  
Sweet Lass of Richmond Hill,  
Sweet lass of Richmond Hill,  
I'd crowns resign to call her mine,  
sweet lass of Richmond Hill.

Oh Charlie is my darling, my darling, my  
darling,  
Charlie is my darling the young Chevalier.  
Charlie is my darling, my darling, my darling,  
Charlie is my darling the young Chevalier.  
'Twas on a monday morning quite early in the  
year  
that Charlie came to our town, The young  
Chevalier,  
As he was walking down the street the city for  
to view,  
Oh there he spied a bonnie lass, the window  
peeking through  
Charlie is my darling, my darling, my darling,  
Charlie is my darling the young Chevalier.  
Charlie is my darling, my darling, my darling,  
Charlie is my darling the young Chevalier.

There's a picture opposite me,  
of my primitive ancestry,  
which stood on rocky shores and kept the beaches shipwreck free.  
Though I respect that a lot  
I'd be fired if that were my job,  
I'd be killing Jason off and countless screaming Argonauts,  
Blue bird of friendliness,  
like guardian angels it's always near.

Blue canary in the outlet by the light switch  
Who watches over you?  
Make a little Birdhouse in your soul,  
not to put too fine a point on it,  
Say I'm the only bee in your bonnet,  
Make a little birdhouse in your soul,

Blue canary in the outlet by the light switch  
Who watches over you?  
Make a little birdhouse in your soul.  
not to put too fine a point on it,  
Say I'm the only bee in your bonnet,  
Make a little birdhouse in your soul.

Blue canary in the outlet by the light switch  
Who watches over you?  
Make a little birdhouse in your soul.  
not to put too fine a point on it,  
Say I'm the only bee in your bonnet,  
Make a little birdhouse in your soul.

By yon bonny banks and by yon bonnie braes,  
Where the sun shines bright on Loch Lomond,  
Where me and my true love will never meet  
again  
On the bonny bonny banks of Loch Lomond.  
Oh Ye'll take the high road and I'll take the low  
road  
and I'll be in Scotland before ye,  
But me and my true love will never meet again  
on the bonnie bonnie banks of Loch Lomond.

Speed bonnie boat like a bird on the wing,  
"Onward!" the Sailors cry,  
Carry the lad that's born to be King,  
over the sea to Skye,  
Loud the wind howls, loud the waves roar,  
Thunderclaps rend the air,  
Baffled our foes stand by the shore,  
Follow they will not dare,  
Speed bonnie boat like a bird on the wing,  
"Onward!" the Sailors cry,  
Carry the lad that's born to be King,  
over the sea to Skye,

In Dublin's fair city where the girls are so pretty  
I first set my eyes on sweet Molly Malone,  
As she wheeled her wheelbarrow  
through streets broad and narrow  
crying "Cockles and Mussels alive, alive o!  
Alive, alive O! alive, alive O!"  
Crying "Cockles and Mussels, alive, alive O!"

There were three old gypsies came to our  
door,  
They came abrave and aboldlyo  
And the one sang high and the other sang low,  
And the other sang a raggle taggle gypsy O!

It was upstairs downstairs the Lady went,  
Put on her suit of armour o

And there was a cry from around the door  
"She's away with the raggle taggle gypsy O!

It was late that night when the Lord came in  
inquiring for his Lady O  
And the servant girl she said to the Lord  
"She's away with the raggle taggle gypsy O!

## STRONGER TOGETHER

There are times I need somewhere that I  
belong.  
something that I can call my own.  
Like I have always known,  
safe secure and feels like home

Heard a voice A whisper that became a shout  
I heard them call my name out loud  
Following the sound,  
Guiding me leading me higher and higher,  
Can you hear above the noise the voices?

Together we are stronger we can overcome,  
We can walk this road together we can stand  
as one,  
And now nothing can divide us we are  
stronger together,  
Together we belong, Together we are strong.

There's a flame Burning through the darkest  
night.  
Burning with the brightest light.  
Can you see it through the dark  
Shining leading you higher and higher?  
Can you hear above the noise the voices?  
Full of life and full of hope,

Together we are stronger we can overcome,  
We can walk this road together we can stand  
as one,  
And now nothing can divide us we are  
stronger together,  
Together we belong, Together we are strong

Together we are stronger we can overcome,  
We can walk this road together we can stand  
as one,  
And now nothing can divide us we are  
stronger together,  
Together we belong, Together we are strong

Together we are stronger we can overcome,  
We can walk this road together we can stand  
as one,  
And now nothing can divide us we are  
stronger together,  
Together we belong, Together we are strong.

It doesn't matter if your days are long, SING!

## FOR THOSE ABOUT TO ROCK AGAIN

I looked out this morning and the sun was  
gone.  
Turned on some music to start my day.  
I lost myself in a familiar song.  
I closed my eyes and I slipped away.  
It's More than a feeling  
When I hear that old song they used to play  
And I begin dreaming,  
Till I see Marianne walk away  
I see my Marianne walking away.

Standing on your Mama's porch,  
You told me that you'd wait for ever,  
Oh and then you held my hand,  
I knew that it was now or never,  
Those were the best days of my life.  
Oh yeah! Back in the summer of Sixty Nine  
Oh!

I was told a million times of all the troubles in  
my way  
Mind you grow a little wiser, little better every  
day.  
But if I crossed a million rivers and I rode a  
million miles  
Then I'd still be where I started Bread and But-  
ter for a smile.  
Well I sold a million mirrors in a shop in Alley  
Way  
But I never saw my face in any window any

day.  
Now they say your folks are telling you be a  
super star,  
But I tell you just be satisfied, Stay right where  
you are

Keep yourself alive, Keep yourself alive!  
It'll take you all your time and money, Honey,  
you'll survive!  
Keep yourself alive, Keep yourself alive!  
It'll take you all your time and money, Honey,  
you'll survive!

Oh Oh  
These four walls are closing in.  
Look at the fix you've put me in,  
Since you been gone, Since you been gone,  
I'm outta my head, Can't take it,  
Could I be wrong? But since you been gone  
You cast a spell so break it!  
Woh! Woh! Woh! Woh!  
Ever since you been gone!

It's Been a long time since I rock and rolled  
It's been a long time since I did the stroll  
Ooh let me get back, Let me get back, Let me  
get back,  
Baby where I come from,  
It's been a long time, been a long time,  
been a long lonely lonely lonely lonely lonely  
time.  
Ah

I love rock and roll,  
Put another dime in the jukebox baby,  
I love rock and roll,  
so come and take your time and dance with  
me!  
I love rock and roll,  
Put another dime in the jukebox baby,  
I love rock and roll,  
so come and take your time and dance with  
me!  
It's been a long time, been a long time,  
been a long lonely lonely lonely lonely lonely  
time.

## LOST FOR A DAY (Chorus only)

I just wanna hang out with you  
Until we're done  
Hang out with you  
While we're making memories.
