Year 4 homework

Friday 21st April, 2017

Date of return: Monday 24th April

INDEPENDENT TOPIC IDEA TO PREPARE FOR CLASS WORK

Dear Parents,

This term, during school time, the children will be making their own independent topic book from scratch. Please spend a little time with your child this weekend to discuss their chosen topic. They will need to think about how they will independently research information through fact books, library visits, search engines etc. PTO for a completed example.

Children, please complete the information below and return to school on Monday. Think very carefully about the topic you choose. It needs to be something you are really interested in or are curious to find out more about. You will be sharing your completed book at the end of the year with other pupils.

My chosen topic:

Some ideas of content (which will be completed in school):

My topic book may include some of the following:

Signed: _____

Name: _____

Mrs Hopkinson's Independent Topic Book
