

LOLOL - School Learning

Year 4 Autumn 1 'Temples, Tombs and Treasures'

Dear Parents,

We are so proud of the way our children have settled back into school after such a long break. Everyone is working hard to get back on track with the learning and making fantastic progress.

We will be continuing with our Ancient Egyptians topic right up until Christmas.

Our science topic for this half term is 'Turn it up!' - looking at sound.

The Year 4 Team - Miss Taylor (St Gabriel) and Miss Wright (St Michael)

Maths

- multiply and divide by 10 and 100
- focus on times tables: 3,6,9 and 7
- length
- perimeter

English

- using apostrophes correctly
- using prepositional phrases
- making fact files
- narratives - creating settings
- reading and discussing poetry

Come and See

- Judaism
- Gift (Advent)

Art/Music

- making Egyptian Jewellery
- using clay to make amulets
- study of tomb paintings
- rhythm and Pulse

PE

- netball
- daily mile

PSHE

- keeping safe

Geography and History

- human geography in Egypt
 - agriculture
 - settlements
- timelines
- studying a historical figure: Howard Carter
- comparison of ancient civilisations
 - Sumeria
 - Nubia

Science

- sound

OLOL - Learning information

Welcome back for the second half of the Autumn term.

Last term, we launched our writing and maths targets. These are specific to your child and focused on what they need to do to continue making progress.

Ask your child if they know their targets. Can they talk about how they are making progress towards them?

My maths targets

I know all of my number bonds to 20

--	--	--	--

Each time you meet your target, you will get a sticker.

My English Targets

I can hold, say, write and read a sentence and write them with joined up handwriting.

--	--	--	--

Each time you meet your targets, you will receive a sticker.

I can use full stops, commas and capital letters for proper nouns.

KIRFs (Key Instant Recall Facts)

At OLOL, we have focused in on ensuring that children are learning their number facts (number bonds and times tables).

To help with this, times table rockstars and Numbots are brilliant resources. Please let us know if you do not have access for your child. Have a look at Conker Maths. A great resource to help with speed of number facts:

Diary Dates

November

Love One Another Month
25th Flu immunisations day
30th Advent Service (on Dojo)

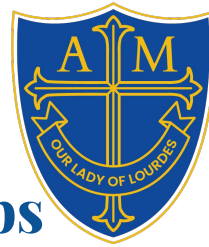

December

9th Egyptian Big Finish Day
16th Christmas Dinner
17th KS2 Nativity Service (On Dojo)
18th Last day of term

January

5th Children return to school

Year 4
Autumn 2

‘Temples, Tombs and Treasures’

Learning you could try at home:

- Practice counting forwards *and* backwards in 2s! How high can you go?
- Practise your times tables using Numbots or TT Rockstars - your logins are stuck into your homework books..
- Play board games - this will help mental addition
- Have a look at Google Earth. Can you locate England and our capital city? Can you find our school? Can you find your house? Which oceans can you find? Can you find the 4 countries that make up the UK?
