

Our Lady of Lourdes Catholic Primary School

Primary School Admissions Policy for 2026/2027

Our Lady of Lourdes Catholic Primary School was founded by the Catholic Church to provide education for children of Catholic families. Whenever there are more applications than places available, priority will always be given to Catholic children in accordance with the oversubscription criteria listed below. However, we welcome children from families who wish an education at our school and are happy to support our ethos.

The school is situated in the Diocese of Brentwood and became an academy in September 2018, forming part of the Assisi Catholic Trust, a collection of eight Catholic primary and one Catholic secondary school in the deanery of Southend. The School primarily serves the parishes of Our Lady of Lourdes, Leigh-on sea and St Peter's Eastwood.

The school, as part of the Assisi Catholic Trust, is governed by the Trust Board and Local Governing Committee as part of the Catholic Church in accordance with its trust deed and instrument of government, and seeks at all times to be a witness to Our Lord Jesus Christ.

As a Catholic school, we aim to provide a Catholic education for all our pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. It is essential that the Catholic character of the school's education be fully supported by all families in the school. We therefore hope that all parents will give their full, unreserved and positive support for the aims and ethos of the school. This does not affect the right of an applicant who is not Catholic to apply for and be admitted to a place at the school in accordance with the admission arrangements.

The Trust is the admission authority and delegates responsibility to the Local Governing Committee for admissions to this school. The local authority undertakes the co-ordination of admission arrangements during the normal admission round.

The Local Governing Committee has set its admission number at 60 pupils to be admitted to the reception cohort in the school year which begins in September 2026. The Local Governing Committee will, where logistically possible, admit twins and all siblings from multiple births where one of the children is the last child ranked within the school's Published Admissions Number ("PAN").

The Parish catchments for the school are for the Our Lady of Lourdes and St Peter's Parishes bounded to the south by Thames Estuary as far west as Tattershall Gardens and running northwards through Belfairs Park to Woodside and over the A127 to Glenwood Avenue, turning east along Gravel Road and Green Lane, as far as Cherry Orchard Way, then south towards Southbourne Grove and continuing down Chalkwell Avenue to the Estuary.

Pupils with and Education, Health and Care Plan or a Statement of Special Educational Needs (see note 1)

The admission of pupils with a Statement of Special Educational Needs or an Education, Health and Care Plan is dealt with by a completely separate procedure. Children with an Education, Health and Care Plan that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children.

Preference will first be given to children in the following order:

1. Catholic looked after and previously looked after children. (see note 2 & 3)
2. Catholic Children who live in the in the parishes of Our Lady Lourdes, Leigh on sea, and St Peter's Eastwood (see note 3)
3. Other Catholic children. (see note 3)
4. Other looked after and previously looked after children. (see note 2)
5. Catechumens and members of an Eastern Christian Church. (see notes 5 & 6)
6. Children of other Christian denominations whose membership is evidenced by a minister of religion. (see note 6)

7. Children of other faiths whose membership is evidenced by a religious leader. (See note 7)
8. Any other children

Within each of the categories listed above, the following provision will be applied in the following order.
(i) the attendance of a brother or sister at the school at the time of enrolment will increase the priority of an application within each category so that the application will be placed at the top of the category in which the application is made (see note 8)

Tie Break

Priority will be given to children living closest to the school determined by the shortest distance. For admissions purposes the LA uses data provided by Ordnance Survey (OS) to measure straight line distances. The OS data plots the coordinates of each individual property (the home address) which are referred to as address points (The home address is considered to be the address at which the child resides on a permanent basis or is 'ordinarily resident'. This is generally the address of the parent/carer). Straight line distance is measured from the address point of the home address to address point of the school. Distances are reported in miles to three decimal places. If a child's time is split equally between two residences, the address of the residence at which the child resides for the majority of the school week would be used to measure the distance between the child's school and home. In the event of distances being the same for two or more children where this would determine the last place to be allocated, random allocation will be carried out and supervised by a person independent of the school. All the names will be entered into a hat and the required number of names will be drawn out.

Application Procedure and Timetable

To apply for a place at this school in the normal admission round, you must complete a Common Application Form available from the local authority in which you live. You are also requested to complete the Supplementary Information Form attached to this policy if you wish to apply under oversubscription criteria 1 to 3 or 5 to 7. A completed Supplementary Information Form should be returned to the school by the 15th January, 2026.

You will be advised of the outcome of your application on 16th April 2026 or the next working day, by the local authority on our behalf. If you are unsuccessful (unless your child gained a place at a school you ranked higher) you will be informed of the reasons, related to the oversubscription criteria listed above, and you have the right of appeal to an independent appeal panel. If you do not provide the information required in the SIF and return it by the closing date, together with all the supporting documentation, your child will not be placed in criteria 1 to 3 or 6 to 7, and this is likely to affect your child's chance of being offered a place. All applications which are submitted on time will be considered at the same time and after the closing date for admissions which is 15th January 2026

Late Applications

Applications received after the closing date of 15 January 2026 will normally be treated as late. This means your application will be dealt with after all on time applications have been processed, unless there is evidence, or you provide evidence, to show that the application could not reasonably have been made on time. A new on time preference will not be accepted after the closing date unless the circumstances are deemed to be exceptional. All late applications will be considered by LA officers to determine whether there are exceptional circumstances. Where that is deemed to be the case, the application will be treated as 'on time'.

Admission of Children Below Compulsory School Age and Deferred Entry

A child is entitled to a full-time place in the September following their fourth birthday. A child's parents may defer the date at which their child, below compulsory school age, is admitted to the school, until later in the school year but not beyond the point at which they reach compulsory school age, or beyond the beginning of the final term of the school year for which an offer was made. A child may take up a part-time place until later in the school year but not beyond the point at which the child reaches compulsory school age. Upon receipt of the offer of a place a parent should notify the school, as soon as possible, that they wish to either defer their child's entry to the school or take up a part time place.

Admission of Children Outside their Normal Age Group

A request may be made for a child to be admitted outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. In addition, the parents of a

summer born child, i.e. a child born between 1st April and 31st August, may request that the child be admitted out of their normal age group, to reception rather than Year 1. Any such request should be made in writing to the Head Teacher, Our Lady of Ransom Catholic Primary School, at the same time as the admission application is made. The governing body will make its decision about the request based on the circumstances of each case and in the best interests of the child. In addition to taking account the views of the head teacher, including the head teachers statutory responsibility for internal organisation, management and control of the school, the governing body will take into account the views of the parents and of the appropriate medical and education professions, as appropriate.

Waiting Lists

In addition to their right of appeal, unsuccessful children will be offered the opportunity to be placed on a waiting list. This waiting list will be maintained in order of the oversubscription criteria set out above and not in the order in which applications are received or added to the list. Waiting lists for admission will operate throughout the school year. Inclusion in the school's waiting list does not mean that a place will eventually become available.

In-Year Applications

An application can be made for a place for a child at any time outside the admission round and the child will be admitted where there are available places. Application should be made by contacting the local authority school who will:

- aim to inform parents/carers with the outcome of their in-year application in writing within 10 school days.
- In any event, the LA must inform parents/carers of the outcome of their in-year application in writing within 15 school days

Where there are places available but more applications than places, the published oversubscription criteria, as set out above, will be applied. If there are no places available, the child will be added to the waiting list (see above). You will be advised of the outcome of your application in writing, and you have the right of appeal to an independent appeal panel.

Fair Access Protocol

The school is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the governing body is empowered to give absolute priority to a child where admission is requested under any locally agreed protocol. The governing body has this power, even when admitting the child would mean exceeding the published admission number (subject to the infant class size exceptions). The governing body reserves the right to withdraw the offer of a place or, where a child is already attending the school the place itself, where it is satisfied that the offer or place was obtained by deception.

Notes *(these notes form part of the oversubscription criteria)*

1. A Statement of Special Educational Needs is a statement made by the local authority under section 324 of the Education Act 1996, specifying the special educational provision for a child. An Education, Health and Care Plan is a plan made by the local authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a child.
2. A 'looked after child' has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making application to the school.
A 'previously looked after child' is a child who was looked after, but ceased to be so because he or she was adopted, or became subject to a child arrangements order or special guardianship order. Included in this definition are those children who appear (to the Local Governing Committee) to have been in state care outside of England and who cease to be in state care as a result of being adopted.
3. 'Catholic' means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the

purposes of this policy, it includes a looked after child who is part of a Catholic family where a letter from a priest demonstrates that the child would have been baptised or received if it were not for their status as a looked after child (e.g. a looked after child in the process of adoption by a Catholic family).

For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest [who, after consulting with the Diocese, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church].

4. 'catechumen' means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens.
5. 'Eastern Christian Church' includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.
6. "children of other Christian denominations" means children who belong to other churches and ecclesial communities which, acknowledge God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is his body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.
All members of Churches Together in England and CYTÛN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.
7. "children of other faiths" means children who are members of a religious community that does not fall within the definition of 'other Christian denominations' at 6 above and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include:
 - A religion which involves belief in more than one God, and
 - A religion which does not involve belief in a God. Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an expression of belief in that supreme being through worship.
8. 'brother or sister' includes:
 - (i) all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address; and
 - (ii) the child of a parent's partner where that child lives for at least part of the week in the same family unit at the same address as the applicant.
9. A 'parent' means all natural parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child.

This Policy is subject to annual review.
