Dear Parents,

You will be able to reserve your place at OLOL clubs from today. Clubs start next week and run from 3.00p.m. to 4.00p.m. at a cost of £15.00 for the half term. Again, to ensure arrangements for afterschool care are accessible for all parents, we have used School Money to enable club bookings to be made online through their site.

The School Money site operates on a first come first served basis, so if you want a place you will have to access the site promptly. However, if you experience difficulties the office staff will try and help you out. To book a place you need to pay online, without payment your place is not secured. Once payment has been made, it is non-refundable apart from in exceptional circumstances.

For registering purposes we would like you to book online even if a club is free. To complicate matters, School Money will only register pupils if there is a charge, so free clubs will have a 1 penny charge indicated which you are kindly asked to ignore.

It is intended that parents will be able to pay for these clubs using Child care Vouchers if that is their preferred method. However, it will take a few more days to fully set this up and so you are asked to pay online to secure your place and then contact the office staff to discuss reimbursement via voucher. We are sorry for this short term inconvenience.
