Dear Parents,

Supporting HARP

Thank you all so much for your support last term in providing HARP with many essentials to help our local friends in need. The HARP team were overwhelmed with your generosity and we were even in the Evening Echo! This term we would like to carry on collecting for the homeless people in our community, and so below is the new list for each class. Lisa Walton, our HARP representative has requested these specific items.

Please remember that we will be collecting all term (so there is no rush) and the items will be taken to HARP the week beginning 19th March. Please ensure all items are in by **Friday 16th March.**

Thank you for your continued support.

Mrs S Nutman
