Mission Statement

*Loving like Mary
 Serving like Mary
 Learning like Mary
 Believing like Mary*

ADMISSION LIMIT – 60 in each year group

There are two ways to make your application for a school place to the Local Authority for reception:

1. Online at www.southend.gov.uk/admissions
2. On a paper application, copies of which are available from Council offices at the Civic Centre, Victoria Avenue.

Parents applying for a place at this Catholic school must also complete a Supplementary Information Form (SIF) and a certificate of practice can be obtained from the Parish Churches. The SIF form and Priest’s Form must be returned to the school along with a copy of your child’s baptism certificate. The SIF form is not an application form but provides the Governors with information in order to place applications in priority order according to the school’s admission criteria.

The Governors intend to admit 60 children into our Early Years Foundation Stage. Parents who have been offered a place but wish to delay their child starting school until the term in which their child is 5 may do so – but not later than April of the reception year. This would be in agreement with the Head Teacher.

ADMISSIONS POLICY.

The Parish catchments for the school are for the Our Lady of Lourdes and St Peter’s Parishes bounded to the south by Thames Estuary as far west as Tattershall Gardens and running northwards through Belfairs Park to Woodside and over the A127 to Glen wood Avenue, turning east along Gravel Road and Green Lane, as far as Cherry Orchard Way, then south towards Southbourne Grove and continuing down Chalkwell Avenue to the Estuary.

Preference will first be given to children in the following order:

1. Looked after children from Catholic families and children who were looked after but ceased to be so because they were adopted by Catholic families (or became subject to a residence order or special guardianship order).¹
2. Baptised Catholic children from practising Catholic families who reside in the Parishes of Our Lady of Lourdes, Leigh on Sea & St. Peter’s, Eastwood, whose applications are supported by their Parish Priest.²
3. Baptised Catholic children from practising Catholic families, who do not reside in the parishes of Our Lady of Lourdes, Leigh on Sea or St. Peter’s, Eastwood, whose applications are supported by their Parish Priest.
4. Baptised Catholic children who reside in the Parishes of Our Lady of Lourdes, Leigh on Sea & St. Peter’s, Eastwood.

5. Baptised Catholic children resident in other parishes.
6. Other looked after children and children who were looked after but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order).
7. Catechumens and members of other Eastern Christian Churches.
8. Baptised children of practising Christians of other Christian denominations providing evidence of Baptism and whose application is supported by their Minister.³
9. Baptised children of practising Christians of other Christian denominations.
10. Children who are living in the parishes of Our Lady of Lourdes and St. Peter's, whose parents demonstrate a genuine desire for their children to receive a Catholic education.

Definitions and Interpretation:

The following definitions and interpretations should be read in conjunction with the defined criteria.

- (a) Applicants with siblings already in the school take precedence in the category in which they fall. Siblings are considered to be a brother or sister, half-brother or half-sister, step-brother or step-sister, adopted brother or sister, living at the same address, who attends the school at the time of application with a reasonable expectation that he or she will still be attending at the time of the proposed admission.
- (b) In an exceptional situation where one twin or one or two triplets are refused a place, in order to keep the family members together, the additional pupil(s) will be admitted even if this results in the admission limit for the year group being exceeded. This child will count as an excepted pupil for the time they are in an infant class or until the class members fall back to current infant class size limit.
- (c) Those living nearer to the school will take precedence in the category in which they fall, as determined by measuring the straight-line distance between the child's home and the main entrance to the school. If the pupil's home is a flat the distance will be measured to the main entrance to the building. If the same distance is shared by more than one pupil, and only one place is available, the place will be awarded on the basis of a computerised random allocation process (supervised by someone independent of the Local Authority and Governing Body).
- (d) The Local Authority will advise parents of the availability or non-availability of a place at the school for their child on 16 April, or the next working day, each year.
- (e) Under the terms of the 1989 Education Act, so amended, any parent who so wishes, has 20 days in which to appeal against the Governors' decision not to admit their child. The decision of the subsequent Appeals Committee is binding on both School and parents.
- (f) For mid-term applications, parents will complete a Supplementary Information Form and hand it to the office to be put on the waiting list. The waiting list will hold names of children wishing to attend the school, but for whom there is no space, from Reception to Year 6. The waiting list will be maintained in order of the oversubscription criteria and not in the order in which applicants are received or added to the list. When a space is available in any of the year groups, the school will refer to the waiting list for that year group and offer the place to the child in the highest category.
- (g) If there is more than one child, they will be ranked according to any siblings and then distance from the school. The parent will then follow the local authority process. The Governing Body has sole responsibility for admissions to this school and current legislation will only admit a maximum of 30 children per class in EYFS and Key Stage 1.

Pupils with Education, Health and Care Plans

All children whose statement of special educational needs (SEN) or Education, Health and Care (EHC) plan names the school must be admitted. Children with a statement or a plan will follow a different process for admission. Further information can be found on:

Distance where parents have separated

Only one application can be received. The Governing Body or LA should not have the details of both parents or know of the marital status of the parents. If more than one application is received from parents, applications will be placed on hold until such time that:

- an application is made that both parents agree to; or
- written agreement is provided from both parents; or
- a court order is obtained confirming which parent's application takes precedence.

Details on address checks and which address is relevant are also provided in the admission booklet. In all cases the child's normal place of residence is applicable for the purposes of the application.

Over and under age applications (including children admitted outside normal age group)

Parents may seek a place for their child outside of their normal age group, (usually during the school year and not at the point of admission), for example, if the child is gifted and talented or has experienced problems such as ill health. In addition, the parents of a summer born child may choose not to send that child to school until the September following their fifth birthday and may request that they are admitted out of their normal age group – to reception rather than year 1.

All other applications for over or under age in-year will be handled in line with the School Admissions Code 2014, 2.17 (a & b).

Such requests are made initially informally in discussions with the Head Teacher and where parents wish to proceed with the request a written letter with any relevant documentation should be provided to the Head Teacher. The school would make decisions on the basis of circumstances of the individual case and will be in the best interests of the child. **Requests for year 3 must have been submitted by the parent and considered by the admission authority before the closing date for applications 15th January for year 3 of any given year.**

When informing a parent of their decision on the year group the child should be admitted to, the admission authority must set out clearly the reasons for their decision. (2.17a School Admissions Code 2014).

In circumstances where a child transfers from another school already 'outside the normal age group', the Academy will support any over or under age application where the above has been met and the Academy is satisfied that the child should continue to be educated out of the normal age group.

A parent cannot appeal against refusal to the 'out of normal age group' application.

Further details provided in the Admission Scheme 2020/2021 and Guidelines on deferred entry to school for summer born children on the Council Web site.

The composite prospectus for all schools in the Borough, the scheme (process), admission procedures and all other policies and procedures are available on www.southend.gov.uk/admissions

The relevant Coordinated Admissions Scheme and Primary Admission booklets should be read in conjunction to the Determined Admission Arrangements for all schools in the Borough of Southend-on-Sea.

Unsuccessful Applicants

Unsuccessful applicants will be advised of their right to appeal to an independent panel. Details of this can be obtained from the School Office. The School Standards and Framework Act 1998 and the School Admission Appeals Code of Practice allows any parent who so wishes at least 20 days in which to appeal against the Governors' decision not to admit their child. The decision of the subsequent Appeals Committee is binding on both school and parents. In addition to their right of appeal, unsuccessful candidates will be offered the opportunity to be placed on the waiting list.

The Governing Body has sole responsibility for admissions to this school and will only admit a maximum of 60 for the Reception class, Key Stage 1 and 60 in Key Stage 2.

This Policy is subject to annual review.
