

LOLO Sports News

Issue 19

KS1 Catholic Sports

A fantastic morning at St. Teresa's. All the children threw, jumped or ran their socks off for Team OLOL. We have spent the last 2 years undefeated at the KS1 Catholic Sports. All of the children were desperate to win it again this year. We got off to great starts in the sprint races: reaching all of the finals and managed to break the long jump record – well done Eva Williams.

In the relay we won 2 of the 4 relay races. Overall, OLOL won the KS1 Catholic Sport - 3 years in a row. Well done to all the children!

KS2 Catholic Sports

After a joyous walk up to St. Thomas More, we kicked off the KS2 Catholic Sports in style. Unfortunately, we were without the year 3 children but the amazing super stars in year 2 stepped in after only competing in the KS1 event the day before! Heroes! We won quite a few events in the field event and managed to win the field trophy! Back on the track we had quite a few impressive displays in the relay – especially the girls! Overall, we came 2nd which is so impressive, especially as we were without the year 3 children! I am very proud of all the children who took part.

Super Sports Track

A strong group of athletes made it to the Super Sports track event. Jake Clark got OLOL off to a winning start by coming 3rd in his track final. Martha Smith continued her impressive running form by coming 2nd in her track final. Eliza Sole flew round in the 600m race and came 3rd. Harry Wright only knows how to win races and therefore he came 1st!

In the relay races year 5 just missed out on top spot and came 2nd. However, the year 6 girls continued their dominance of relay and won by a distance. Every child who attended the super sports from OLOL won a medal! Fantastic athletes!

Super Sports Field

We only had Harry Williams and Ellie Bostock representing OLOL in the Super Sports field event. Harry Williams came 3rd overall and threw 5cm off the borough record. Well done Harry!

Ellie came 4th missing out on 3rd place by 1cm! Ellie has a real talent in the Shot Putt and I am sure she will go on to represent Team GB one day!

KS1 Borough Sports

20 boys and girls from year 2 attended the KS1 Borough Sports, at Garons. They competed a variety of races and showed wonderful athletic ability. A few hiccups in the egg and spoon but... that's not a proper race anyway! After smashing the relay races OLOL came 6th overall. Well done to all the boys and girls!

Running Club

We have done it! JUST! Well done to all 77 Running Club runners who managed the 9326km from Our Lady of Lourdes School to Rio. We ran through some cold days in western Europe, tackled quite a few muddy and wet days along the African coast, hopped on a plane across the Atlantic to Brazil and finally, down the east coast of Brazil (unfortunately in British summer weather conditions - rain)! Each and every runner has done their part to get the OLOL Running Club to the Olympics at Rio. There have been many tough moments when only 4 or 5 children turned up in the rain. There have been funny moments when we went sliding through massive puddles. Moments where all we wanted to do was walk and talk to our friends. But by hook or by crook we made it to Rio! Well done runners, I am immensely proud of you all.

Olympic Competition

The Rio Olympics are only a few weeks away! Over the summer I am running a competition all about your Olympics. Write, draw, and take photos of however you celebrate the Olympics. You could write a report about the events you watched on TV, draw Mo Farah winning gold medals or take a photo of your family with GB painted on their face! Good luck and enjoy a fantastic summer of Olympic Sport.

stay sporty!
